

FALL DANCE

Saturday night, three couples went to the town's annual Fall Dance Competition. Each couple dressed in matching colours and they all performed very well. The competition was fierce but friendly and everyone had a grand time. From the clues, for each couple, can you determine their surname, their place in the competition, and the colour they wore.

1. Bill, who was married to Jean, placed better than Mary and her husband but worse than the West couple.
2. Mr. and Mrs. King came in 3rd place.
3. Bill Snow and his wife didn't wear the green outfits.
